Dear Camper:

Hello from Beaver Camp! We are excited about our upcoming week of canoeing with you. A week of fun, excitement, new friends and spiritual growth awaits you in God's awesome creation.

When planning and packing your equipment please keep in mind that at times you will have to carry everything. Items should be lightweight and packed tightly to conserve space. The camp will furnish all food, packs, tents, camping gear and adventure equipment. If you want to use your own tent or pack please bring it along. Throughout the week, you will be sleeping on the ground in tents, so you may want to bring a sleeping pad. If you like to fish, you may bring your fishing gear along.

Your week will start with registration on Sunday afternoon at 4:00 P.M and end with a camp debriefing for parents from 3:00-3:30 P.M. on Friday afternoon. Campers and staff will be sharing highlights from their week in the backcountry during this important time. Campers are free to leave at 3:30 P.M. All campers and families are welcome to stay for black kettle popcorn at 3:30 P.M.

Please be praying for our week that we will have an exciting, rewarding and safe experience. If you have any questions regarding your upcoming week please feel free to call Beaver Camp at 315-376-2640. This letter should be kept in a safe place for future reference.

Sincerely,

Christa Scott
