**Hello from Beaver Camp!** We are excited about our upcoming week of canoeing with you. A week of fun, excitement, new friends and spiritual growth awaits you in God's awesome creation. Please review this information about your trip and check the enclosed camper registration confirmation form to see that all information is correct. If any corrections need to be made, notify the camp immediately. Please complete the health form and mail this along with your balance due to Beaver Camp two weeks prior to camp.

**Full payment and a complete Health Form must be submitted at least two weeks prior to arrival.**

**HEALTH FORM** The NYS Dept. of Health requires these forms to be filled out completely and carefully for each camper. The parent's authorization on the back must be signed and all the dates for the immunizations filled in. Because information must be updated annually, please do not ask us to use last year's information. Incomplete forms will be returned or you will be delayed at check-in on Sunday.

Folding pocket knives may be used UNDER SUPERVISION ONLY. Also, please do not bring additional food items such as candy, gum, soft drinks, cookies or other snacks.

### **General Packing Tips**

- Keep in mind that at times you will have to carry *everything*. Items should be lightweight and packed tightly to conserve space.
- Good sleeping bag straps or stuff bag are important so that your bag can be compressed.
- It will be helpful if you can pack your items into large Ziploc bags, nylon stuff bags or duffel bags. (One bag for underwear and socks, one for shirts, one for pants, etc.)

**CAMP STORE** The camp store will be open during check-in. Many items are available including sweatshirts, T-Shirts, water bottles and hats.

**PHYSICAL PREPARATION** Wilderness adventures are more strenuous than resident camp. This trip is somewhat strenuous (3 out of 5 boots) and includes 30 minutes to a few hours of paddling per day. If you are active and build your physical endurance ahead of time, your week of camp will be more rewarding and enjoyable

**LOST AND FOUND** Please label or clearly mark each camper's belongings. Unlabeled belongings are difficult to identify! Beaver Camp is not responsible for lost items.

**CAMPER ARRIVAL** The check-in line will open at 4:00 p.m. Please do not arrive before 3:45 p.m. Sunday afternoon. **PARENTS:** A camp tour will be available at 4:30 p.m.

**WRITING YOUR CAMPER** There is no mail service in the wilderness!

**CAMP TELEPHONE** Our phone is tended from 8:00 a.m. to 5:00 p.m. After hours you will receive an answering machine that will give you emergency numbers to call. If you have an emergency we will take appropriate measures to contact your child, however, due to the nature and location of this trip this may not be quickly possible.

**CAMPER CHECKOUT** A special closing program is scheduled from 3-3:30 p.m. on Friday afternoon, and we encourage parents and family members to attend. Campers are free to leave after the program, but are also welcome to join us for black kettle popcorn at 3:30 before leaving.

**PHOTOS ON OUR WEB SITE** Photos from the trip are not able to be posted until the end of the week. Once available, photos can be viewed for free by going to [www.beavercamp.org](http://www.beavercamp.org) and entering the password provided in your confirmation packet.

### **INJURIES AND ILLNESS AND SPECIAL MEDICAL NEEDS**

Our goal is to offer a life changing camping experience to as many campers as possible, however, our camp is not designed for a special needs camper. We cannot accommodate campers who require one-on-one supervision. Should medical attention be necessary for either an injury or illness while at camp, the cost is the responsibility of the camper's personal medical insurance. In case of an injury, Beaver Camp has insurance coverage that will pay the excess not covered by the camper's personal insurance.
